

DOCUMENT RETRIEVAL

When it comes to extensive land record research in the residential mortgage industry we are the experts. NTC has invested years honing our systems in order to offer the most sought-after research and abstractor services in the industry.

ONLINE COUNTY RESEARCH/IMAGE REPOSITORIES: Our processes seamlessly retrieve information or images of recorded real estate documents from county recording jurisdictions across the country. With the benefit of decades of experience, we have perfected our automation and quality control systems and we understand the need to retrieve missing documents quickly.

NTC COMPLETES ON AVERAGE 80% OF SEARCHES IN-HOUSE PRIOR TO USING ABSTRACTOR RESEARCH SERVICES, SAVING TIME AND MONEY

NATIONWIDE ABSTRACT NETWORK: Built over the span of three decades, NTC'S nationwide network of over 4,000 abstractors has retrieved millions of documents.

- Two and a half day average turn time
- Coverage across 100% of the United States
- Low costs due to our on-going volume and least-cost routing
- Competitive volume pricing
- Backup abstractors established for most populous areas and utilized based on a rating system of cost, turn time and accuracy in fulfilling the request
